September, 2025

Who We Are

Procura Hub is a company specialized in national and international sourcing, procurement, logistics, and supply chain management. We serve as a **single point of contact** for companies that need to purchase materials, equipment, and diverse products—ensuring quality, competitive pricing, and optimal delivery times.

We adapt to each client's specific needs, simplifying their purchasing processes and reducing administrative burdens.

With a **global network** of manufacturers and distributors, we are able to provide **tailored solutions** under competitive commercial terms—both in Mexico and the United States.

Services

Procure-to-Pay (Purchasing and Delivery Management)

We issue purchase orders to the **suppliers selected by your company** and monitor the process through to final delivery. We reduce your operational and administrative workload by simplifying interactions with multiple vendors.

Source-to-Pay (Complete Sourcing and Procurement)

We identify, negotiate, and deliver exactly what your business needs. We take responsibility for finding the **best options in the market** and ensuring that each purchase fully meets your requirements.

International Logistics and Shipping

We coordinate global shipments regardless of size, weight, or destination. We manage documentation, customs requirements, and distribution—from any origin to anywhere in the world.

Products Offered

• Automation Equipment and Electrical Components

Examples: sensors, PLCs, motors, contactors, frequency drives

• Mechanical and Industrial Spare Parts

Examples: bearings, belts, pulleys, valves, actuators

• Hand and Power Tools

Examples: drills, wrenches, cutters, torque equipment, multimeters

• Installation and Assembly Materials

Examples: cable trays, clamps, fasteners, structural profiles

• Safety and Personal Protective Equipment

Examples: helmets, gloves, goggles, harnesses, industrial signage

• Office and Jobsite Supplies

Examples: desks, chairs, lamps, whiteboards, portable stations

• Custom and Specialized Equipment on Demand

Examples: custom-built units, imported components, solutions for EPC projects

• Everything Else Your Industrial Operation May Require

If you don't see it on the list, just ask—we'll get it for you.

¿Why Work with Procura Hub?

- **Global network** of manufacturers, distributors, and wholesalers.
- We **source complex, specialized, or discontinued products**—we'll get them for you!
- Purchasing, consolidation, and **international logistics** in one service.
- Reliable deliveries, **tailored** to your timelines and **technical requirements**.
- A single contact, streamlined processes, and **less administrative burden**.
- We help you **define what you need**, even without full technical specifications.
- Clear options: **price, timing, and quality** aligned with your objectives.
- **Personalized solutions**, beyond just a quotation.
- **Flexibility** to optimize resources and **adjust to your budget**.
